

## Overview

You can join a test Zoom meeting to familiarize yourself with the Zoom and test your microphone/speakers before joining a Zoom meeting. You can also test your [video](#) or [audio](#) while in a Zoom meeting.

**Note:** If you are using the Zoom app on mobile, you can visit <http://zoom.us/test> to join a test meeting, then follow the instructions to test your [video](#) or [audio](#).

## Instructions

1. Visit <http://zoom.us/test>.
2. Click the blue **Join** button to launch Zoom.

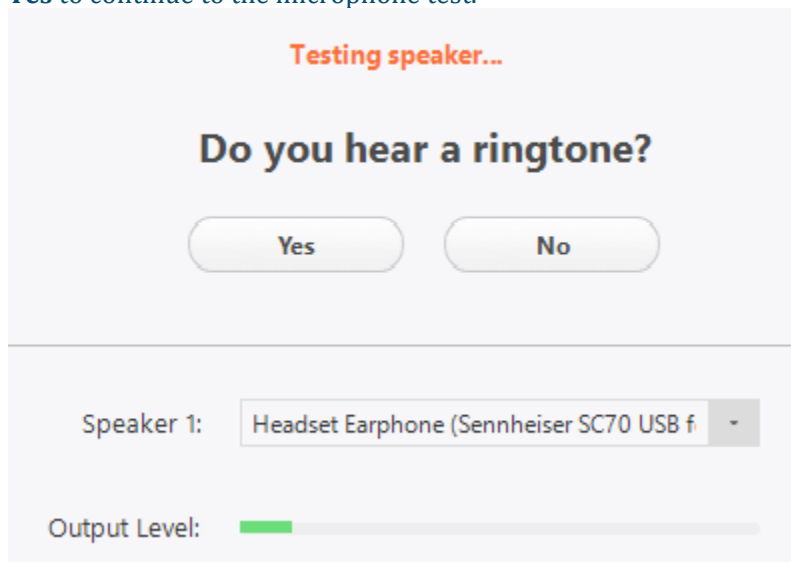

### Join Meeting Test

Test your internet connection by joining a test meeting.

If you are unable to join the meeting, visit [Zoom Support Center](#) for useful information.

3. When prompted by your browser, click **Open Zoom Meetings**. If you don't have Zoom installed on your computer, follow the prompts to download and install Zoom.
4. The test meeting will display a pop-up window to test your speakers. If you don't hear the ringtone, use the drop-down menu or click **No** to switch speakers until you hear the ringtone. Click **Yes** to continue to the microphone test.

5. If you don't hear an audio reply, use the drop-down menu or click **No** to switch microphones until you hear the replay. Click **Yes** when you hear the replay.

**Testing microphone...**

**Speak and pause, do you hear a replay?**

Yes No
