Clinical Laboratory Science

ASCLS

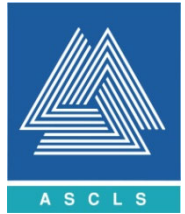

What Your Professional Society Can Do For You!

What Is ASCLS?

ASCLS provides dynamic leadership and vigorously promotes all aspects of clinical laboratory science practice, education and management to ensure excellent, accessible cost-effective laboratory services for the consumers of health care. The Society advances high standards of practice and professional competence through its conferences, publications and education programs.

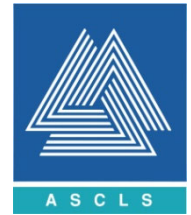

ASCLS Is...

Your VOICE, Your VALUE, Your VISION

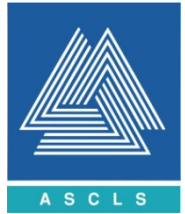

Why ASCLS?

- ASCLS is designed to represent and **VALUE** our *entire profession*, not just one specialty area.
- ASCLS gives **VOICE** to *your* concerns, opinions, competence and professionalism.
- ASCLS has **VISION** and is led by members of *our profession*, not by members of another related profession.
